

TALENT ATTRACTION

Artificial Intelligence V Human Intelligence?

To mitigate risk of lost talent opportunities, how is the balance between technology and human interface best achieved?

LEADERSHIP DEVELOPMENT

Does the emerging trend towards Agile environments and Scrum teams cause tension between desired organisational structure and individual capability?

HR – 'PEOPLE FUNCTION'

Where is it headed?

Considering changing titles, language and commercial relevance, what are the current and future expectations and opportunities for talent teams and people professionals?

CULTURE

How does your culture and how do your leaders benefit from 'playing to the strengths of the team'?

YOUR IMPACT

How do you stand out?

Whether a specialist or a generalist, what is your influence on the commercial goals of your organisation?

How do you capture, demonstrate and articulate your results, internally and externally?

BENEFITS THROUGH PARTNERING

Consider the value to your business or career objectives of external perspective and insight from the talent specialists at Pohlen Partners.
